

ONE DAY SEMINAR IN IOANNINA, GREECE
“Integration of Museums into School Education”
FRIDAY, 4th OF OCTOBER 2019

Introduction

The one day seminar took place on the 4th of October 2019, at the 5th Gymnasium, in Ioannina. The event had two different but equally important objectives: On the one hand, to present the aims, the activities, the up- to-now results of the MuseSchool project, the importance to enhance the links between schools and museums and to stress their use as an educational approach which promote the non-formal learning.

On the other, the teachers of the 5th Gymnasium, who attended the two L.T.T. activities in Novo mesto and Piraeus, were able to transfer the acquired knowledge to colleagues from other schools, as multipliers, and to highlight the museum as an alternative source of education, interaction and enjoyment for young visitors.

Description

The one day seminar was held on the 4th of October 2019, from 13:00 until 17:30, in the 5th Gymnasium located in Ioannina.

Efharis Gouveli, the project coordinator from the Regional Directorate of Education of Epirus contacted the head masters of 20 schools and sent invitations to teachers who were willing to participate in the training.

18 teachers of Art, History and Geography from 13 different schools of Primary and Secondary Education took part in it.

The Erasmus pro

At the beginning, Efharis Gouveli, representing the Regional Directorate of Education of Epirus, via a ppt presentation, informed the whole group of participants about the general aims of the MuseSchool project, the results achieved by the two L.T.T. activities and the activities that will follow during the second year of the project life.

After a 15- minute break, the participants were divided into three groups in accordance with their teaching subject.

The first group composed of five Art teachers attended the ppt presentation of the two interdisciplinary pilot lesson plans for school visits in museum settings and open air environment, created by Odysseas Selios, the Art teacher of the 5th Gymnasium.

The second one composed of six Geography teachers attended the ppt presentation of the two interdisciplinary pilot lesson plans created by Vasiliki Galani, the Geography teacher of the 5th Gymnasium.

And the third group composed of six History teachers attended the ppt presentation of the two interdisciplinary pilot lesson plans created by Chara Nikolou, the History teacher of the 5th Gymnasium.

The ppt presentations were printed and distributed to the participants of each group.

The trained teachers had the chance and the time to talk about the development of the lesson plans, interact, share their ideas and suggest ways and tools to make school visits to sites of cultural interest more attractive for their students.

Certificate of attendance was issued to the participant teachers.
